You must take any available U.S. carrier service unless you meet one of the other exceptions.

Are you flying between the U.S. and a foreign country using federal funds?

- **NO**: Fly America and Open Skies only apply to federally funded travel.

- **YES**: Are you traveling to a foreign country funded by the Department of Defense (DoD) or Secretary of a military department such as the Air Force or Army?

  - **NO**: Are you traveling to a European Union (EU) country, Iceland, or Norway? This includes flights that originate, terminate, or alight in those countries.

    - **NO**: Are you traveling between:
      1) the U.S. and Australia?
      2) the U.S. and Japan?
      3) the U.S. and Switzerland?

      - **NO**: You must take any available U.S. carrier service unless you meet one of the other exceptions.

      - **YES**: Does the Government have a published City Pair Airfare for the route?

        - **YES**: Unless you qualify for another exception to Fly America, you must take a U.S. Flag flight.

        - **NO**: You may fly a U.S., Japanese, Australian, or Swiss carrier to and from those countries and to and from the U.S.

    - **YES**: You may use an EU carrier, a Norwegian carrier, or an Icelandic carrier.

  - **YES**: You may not use Open Skies Agreements as an exception to Fly America. Other exceptions could apply.
